Communication skills

As Head of Department and Vice-Dean, I have gained great experience in collaborating with colleagues from different specializations to successfully complete various didactic and scientific activities recognized at the local and national level. As an economic unit manager I had very effective communication to complete local and national level projects. Good communication skills acquired through own experience as a team leader for analysis and design of economic and production systems.

Organizational/managerial skills

Organizational and managerial skills regarding the organization and operation of the Department of Finance and Economic Efficiency for eight years, which were completed by the accreditation of the Finance and Banking undergraduate study program and the Financial and Banking Management and Regional and Rural Development master's program. Organization of the activity of recording the material basis at the Faculty level for four years.

At the level of an economic agent, we structured its activity for the completion of all projects by the terms imposed by the contracts, both at the local and regional level.

Skills acquired in the workplace

A good knowledge of quality control processes in the field of economic higher education, as well as at the level of an economic agent.
