Science Citation Index Expanded and Social Sciences Citation Index; inclusion criterion: Impact factor; scientific field: 10. Social and economic sciences; area of the journal, according to the information package: Red Zone.

PROJECT EXPERIENCE

A. NATIONAL PROJECTS (selective)

1. Name of the project:	GAR2023 PROJECT CODE 165 Economic behavior and financial knowledge. Assessment and impact on governance (CEFIG)
Beneficiary institution/ organization:	Beneficiary: Romanian Academy, Funding Agreement no. 1366/23.11.2023 - Grant
Period:	01.01.2024 - 31.12.2025
Project description:	The main objective of the CEFIG project is to instrumentalize an economic barometer for Romania, applying a set of tools to measure economic behavior and financial knowledge among the population, as well as how these variables influence governance.
Role and responsibilities within the project:	Member of the implementation team
2. Name of the project:	ADER 21.1.1 Research on the institutional capacity of the public-private partnership to actively participate to increase agriculture performance in terms of production, economy, social and environment
Beneficiary institution/ organization:	Ministry of Agriculture and Rural Development
Period:	01.09.2023 - 31.12.2026
Project description:	Studies on the socio-economic and cultural aspects that provide support for the development of public-private partnership (PPP) in agriculture and related activities and on the socio-economic, administrative and organizational factors that promote, support and ensure the institutional functionality of PPP
Role and responsibilities within the project:	Member of the implementation team
3. Name of the project:	Code POCU/993/6/13 - Development of advanced and applied research skills in STEAM+ Health logic
Beneficiary institution/ organization:	Beneficiary: "Babeş-Bolyai" University from Cluj Napoca; Human Capital Operational Program 2014-2020 (POCU) from the European Social Fund (ESF)
Period:	01.12.2022– 01.12.2023
Project description:	Activities: Organization and development of the research program with an applied component; Organizing and running the advanced research skills training program; Organizing and carrying out activities in the network (debates, exchange of best practices between people in the target group). https://sites.euro.ubbcluj.ro/steam/wp-content/uploads/2022/11/POCU153310_Agenda.v2.pdf
Role and responsibilities within the project:	Partner 3 coordinator - Romanian Academy
4. Name of the project:	Code SIPOCA 612 /MySMIS no. 12733 - The expansion of the strategic planning system at the level of line ministries - II
Beneficiary institution/ organization:	Beneficiary: General Secretariat of the Government, Partner 1: Court of Accounts of Romania, Partner 2: Romanian Academy - Administrative Capacity Operational Program (POCA), funded from the European Social Fund (ESF)
Period:	01.10. 2020– 30.06.2021
Project description:	Deliverable: Analysis on how the establishment of the strategic objectives of the Ministry of

	<p>Economy, Energy and Business Environment - the tourism public policy field consistent with its responsibilities established in the national strategies (January 2021);</p> <p>Prospective evaluations of the internal and external resources and the challenges of the Ministry of Economy, Energy and Business Environment - the field of tourism public policy, in line with Romania's sustainable development strategy (March 2021);</p> <p>The influence of internal and external factors on how to achieve objectives. Directions of action for strengthening the administrative capacity of the Ministry of Economy, Energy and Business Environment – the field of tourism public policy and subordinate entities through the lens of the Institutional Strategic Plan (June 2021);</p> <p>https://sgg.gov.ro/1/planuri-strategie-institutionale/</p>
Role and responsibilities within the project:	Expert – Romanian Academy
5. Name of the project:	Support studies for the elaboration of the Hunedoara County Development Strategy for the period 2021-2030
Beneficiary institution/ organization:	Beneficiary: Hunedoara County Council
Period:	2021
Project description:	<p>Diagnostic analysis and the development of support studies for the foundation of the development strategy of Hunedoara county horizon 2030</p> <p>https://www.cjhunedoara.ro/index.php/strategii</p>
Role and responsibilities within the project:	Member of the implementation team
6. Name of the project:	SIPOCA 607 / ANANP – Strategic pillar in the development of local communities and the business environment by strengthening administrative capacity in protected natural areas in Romania
Beneficiary institution/ organization:	Beneficiary: National Agency for Natural Protected Areas; Administrative Capacity Operational Program (POCA) from the European Social Fund (ESF)
Period:	01.02.2019 – 01.06.2022
